To Whom it may concern:

Hello my name is Marcus Grier.
I am Michael Campbells cousin. I have been around him all of my life. He is a very good guy. He has never been in any kind of trouble exelt for this. I hope that You may have mercy when it comes time to sentence him. I am sure that you Probably have guidlines to follow, but I really think that after 9 months of being incarcerated he has learned his lesson. I talk with him all the time, He regrets ~~it~~^{his} everyday the mistakes that he has made.

Thank you for your time, and please have mercy on Michael. We love him and miss him so much.

Thank you.
Marcus Grier
